This Month's Theme Is...

## Inspiration

Inspiration is the spark that fuels creativity and growth. This month, we encourage students to draw inspiration not only from the world around them but also through the music they hear the artists they admire and their own experiences.

### The Monthly Draw Returns!

With Ignite The Spark complete the monthly draw is now open. We will be giving away a draw prize to one lucky student enrolled in our private lessons! All you have to do to win is meet your individual practice goals. Students will receive a ballot to the draw for each week they complete.

Back by VERY popular demand... March's Draw Prize is the golden money shooter! Good Luck!

### Ignite The Spark Contest Success!
